Re: *United States v. Akayed Ullah*, 18 CR 16 (RJS)

Dear Judge Sullivan:

I write to request a two week adjournment of the sentencing hearing in the above captioned matter, currently scheduled for April 8, 2021. An adjournment is requested so that Mr. Ullah's mother, Delruba Begum, can attend the sentencing hearing.

Within the past week a member of Mrs. Begum's household, with whom she had "close contact," tested positive for COVID-19. Pursuant to the most recent guidelines for entry into the courthouse, Mrs. Begum will be denied entry unless she "achieved full vaccination within the past 90 days." See Fourth Amended Standing Order, 21-mc-00164-CM, April 1, 2021, ECF No. 4. According to the guidelines, "A person has achieved full vaccination two weeks after they have received the second dose in a two-dose series (Pfizer-BioNTech or Moderna), or two weeks after they have received a single-dose vaccine (Johnson and Johnson [J&J]/Janssen)." Id. Mrs. Begum received her second dose of a two-dose series on April 4, 2021 and, therefore, will not achieve full vaccination or allowed entry into the courthouse until, Monday, April 19, 2021.

Therefore, I respectfully request an adjournment of the sentencing hearing so that Mrs. Begum can be present in court to support her son at this most critical moment in his life.

The Government takes no position on this request for an adjournment.

Respectfully submitted,  
/s/ Amy Gallicchio
